Description: Aprons are back! After more than 30 years in the attic, aprons are making a splashy comeback in a happy convergence of nostalgia, pop culture, and contemporary fashion. Vintage aprons and modern designs are turning up in movies, magazine spreads, upscale shops, and hip retail venues like Anthropologie, whose trendy line of aprons is selling as fast as...

Review: This book was a wonderful reference guide. The pictures were colorful and the text rich and engrossing. The lowly apron and its rich history presented in a light hearted book. As a bonus the book was also autographed. This was a surprised addition to a book that was already destined to become a treasure....
